## Kona South Point Reclaimed Wood Dining Table

CDC1790

From the Boca Collection

Mixing modern design with the knots and natural imperfections of timeworn wood, our Kona South Point Dining Table is carefully handcrafted from reclaimed pinewood found in the most remote villages of western China. The marks of distress from it's past life paired with the hints of blue in the patina add elements of timeworn character and wanderlust, making this the ideal gathering place for rich meals and great company.
