

Sundance Provo Reclaimed Wood Console (60")

CHB1622

From the Sundance Collection

Mixing simple and sleek reclaimed wood with the strength and modernity of its iron standing, our Sundance Provo Live Edge Console is carefully handcrafted from reclaimed elmwood found on the roof top of the world. This piece has been smoothed down to seamlessly fit into any space in your home, while still preserving the timeworn character and an indistinguishable heritage found in the marks of distress from its past life.
